Will you keep the door open for Cheri?

Cheri is a new 32-year-old GED student who found the doors to Oasis this spring and began her GED preparation. She is determined to earn her GED. **Your support keeps the Oasis doors open and helps Cheri complete her GED.**

Here's her story, from an essay she wrote for her Oasis GED language arts class:

In my younger years, I was a straight A student and got a lot of awards. From honor roll to student of the month. I was so in love with school.

Things took a turn when I moved into high school. I started running with the wrong kids, maybe because I was living in a shelter…and hanging with street kids. I learned how to skip school.

My actions got me suspended on a regular basis. Eventually, I got kicked out of school.

By then the streets had me in a headlock. I only cared about what the streets had to offer. Which was nothing, I now know.

Now, at this old age, I'm doing my best to earn my GED and better myself. I would love to go to college, or trade school. To start a career. But you have to have your GED to receive a good paying job. I'm here now to reach my goal of earning a GED. I won't stop.

Cheri found her way to Oasis. The doors opened and she walked through them.

She needs the doors to stay open so she can earn her GED. **That's where you come in.**

Your gift keeps Oasis programs and services running—GED, ESL, job counseling, hot meals, bags of groceries, and more.

Please don't close the doors on Cheri. Please give today.

Yes, I'll keep the doors open for Cheri and so many other women like her.
